This is our feature section to honor one of our local artists working in our studios. This month it is Bill. He is a hard working man who is always ready to lend a hand, pug the clay or carry boxes or anything else that needs done. He helps this place run smoothly.

Bill, this section is to honor you and all that you give to us at The Potters of Hickory Street. Thank You.

Gallery openings and Special Events or Parties can be done at other times when available.

To submit information, articles, items for sale or wanting to buy section, receive e-newsletter, unsubscribe, or add someone to the mailing list please contact: Dori Oiler at: oilerstudios@hotmail.com
